# WE ARE

We are an interdenominational organization. Therefore, our speakers, worship leaders, team and attendees come from a variety of Christian backgrounds and theological perspectives.

We represent varied denominations and make Christ center. We believe that God is seeking a generation that love Jesus and desire to be His hands and feet to the world.

LOUD is more than an event - LOUD is a movement. It is a unified heartbeat that hungers to make a difference!

OUR GENERATION is called to show the love of Jesus to those around us and we believe that YOU BELONG and YOU have a PURPOSE.

## MISSION

*WE EXIST TO ENGAGE,  
EMPOWER AND EQUIP  
THIS GENERATION TO  
CHANGE THE WORLD  
AND BE A LIGHT OF  
HOPE.*

LOUD Summit is a collaborative expression of every nation and every tongue coming together to worship Christ with their voice and their actions. We exist because the call of Christ is equal to all genders, races, languages, professions and ages, which is why we present this diverse voice at all of our conferences.

WHY LOUD?

*PASTORS ARE TRYING  
TO REACH OUR  
GENERATION, BUT  
THERE'S A GAP THAT  
NEEDS A BRIDGE.  
THAT'S WHERE WE  
COME IN.*

---

WHAT'S LOUD LIKE?

*YOU CAN  
EXPECT IT  
TO BE LOUD!*

---

We believe that our purpose is to be a “City on a Hill” – a place where ALL can find acceptance and community as they live out their purpose. The speakers, musicians, spoken-word poets, emcees and artists all display the diverse voice of Christ through their topics and personalities. We exist to Live Out Our Destiny in creative and innovative ways.

"The dropout problem touches countless students, parents, and faith leaders, but many of these have only a vague grasp of what, exactly, the dropout phenomenon is.

The first step in the discovery process is to understand two simple facts: Teenagers are some of the most religiously active Americans. American 20somethings are some of the least religiously active."

~ David Kinnamen, author of *UnChristian & You Lost Me*

## WHAT ARE PEOPLE SAYING?

**“GOD REMINDED ME OF THE HIGH CALLING ON MY GENERATION AND I FELT SO EMPOWERED TO GO AND IMPACT OTHERS WITH THAT. IT WAS A REFRESHING REMINDER AND WAKE UP CALL TO ME OF WHAT I’M CALLED TO DO AND HOW I’M CALLED TO LIVE.”**

**“SEEING SO MANY PEOPLE WHO ARE LIVING OUT THEIR OWN CALLING, TAKING THE TIME TO ENCOURAGE OTHERS TO DO THE SAME.”**

**“EVERYTHING WAS VERY RAW AND AUTHENTIC. THE EVENT FELT FREEING AND EMPOWERING.”**
